

FROM THE DESK OF JORDAN:

We, as you know are in some very critical times.

In these times, the most critical part is the spiritual death and slaughter of so many souls. Souls that are dead and don't even know they have been taken out.

At this point we will not worry about what you think or how you feel about what we are getting ready to release. My prayer is that you will read, read carefully, and consider. Not even God will make us do anything. It is, and always has been our choice.

Allow me to begin by saying this. A whole lot is going on!!

Of late we have been dealing with church/the church and it has been my endeavor to circumcise us from the institution and graft us into the Kingdom of God and that by exposing this false spirit parading itself as the body of Christ/ HIS CHURCH.

I am not in agreement with this current thing called church and I am making it known that I am not in agreement with the direction in which it is going!!!

We have been seduced and the scripture says the deception would be so great in the last days that it would fool the very elect if it were possible. Church as we know it is the great deceiver!! Don't stop reading, at least allow me to explain and if at the end of this document you are still in a rage, then express yourself, but stay with me! The deception is so strong it would fool God elected people if it were possible. Meaning, if you are not Gods elect, what I am about to say will sound absolutely foreign to you. The world is deceived, and only the elect see things for what they are!! Those God has covered, and chosen unto himself to worship HIM!!

All of us were born into this thing called church and few of us have done the research and work to see that it is not what it says it is. (We owe it to ourselves to study and make sure our soul is connected to what is right.)

No, not every church is wicked, and not every church is lost. Not every gathering is under a wolf in sheep clothing. Not every Pastor is wicked, and or in it for the money. Not every Prophet is false, and not every Apostle is telling a lie when they say they are an Apostle. Not every Bishop is running a racket. (It is not like those who are will stand up and admit it. It is not like the liar will stop lying.) We are addressing those that are and there are many that are leading people down the wrong path, there are many, many preachers in it for the money, and fame, and self elevation. There are a lot of churches that run like businesses and could care less about your soul. There are religions that have nothing to do with God, but have so many souls that have no idea of the truth. Countless numbers of souls are marching towards the gates of hell as I write this document following a MAN!!! To sit back and say nothing would be tragic. We must cry, we must lift up our voice as a trumpet because we would rather you be mad at us, and maybe be provoked to see for yourself then lift your eyes in hell, a place of no return!!!

If you are in a church where God is not the MAIN ATTRACTION, MAIN FEATURE, MAIN EVERYTHING GET OUT AND RUN FOR YOUR LIFE!!!!!! And that would be the majority of the churches today. Stay with me!!! Watch this.

Romans 10:12-15

For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him.

(We see here there are no cultural boundaries here. It does not matter what you were taught, or how you were raised, or what denomination you are in. When you call on the name of the True and Living God HE makes himself known to YOU!! Let me say it again. HE MAKES HIMSELF KNOWN TO YOU! Without a university, without a school, without a MAN! He makes HIMSELF known to YOU!)

13) For whosoever shall call upon the name of the Lord shall be saved.

14) How then shall they call on him in whom they have not believed? And how shall they believe in him of whom they have not heard? And how shall they hear without a preacher?

15) And how shall they preach, except they be sent? As it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good thing!

So the scripture says how can you call on who you never heard of? It is important that you always go back to the origin of a thing. Always go back to where it was first mentioned in scripture. The question we ask here is, how did Abram call on who he had not heard of? God called him and revealed HIMSELF to him right? Exactly! So, the preacher in this case was God! If you don't believe me, read for yourself. Abram was raised by God. God's voice. He heard HIS voice inside him and followed it. Abram built an altar and there he called upon the name of the Lord. Where was church? Where was the preacher/prophet/apostle? He did not have a church or preacher as we know them. Abrams preacher was the Spirit of God.

So the question the scripture is posing is setting the stage of understanding who the real preacher is.

Romans 10:2-3 which is the same chapter we are writing on says this,

2) For I bear them record that they have a zeal of God, but not according to knowledge.

3) For they being ignorant of Gods righteousness, and going about to establish their own righteousness, have not submitted themselves unto the righteousness of God.

Then the writing goes on to say in verse 4,

For Christ is the end of the law for righteousness to everyone that believeth.

Christ is the end of the law, not MAN!!! It was not like Christ died and said, here MAN, take over! No, NO, NO!!!!

How can you call on who you have not believed?

Do you know why the church of today is a non praying church? (Yes I said it. We don't pray! You can tell. When you pray, you are aware, woke, connected, and hot!!!! That does not describe the whole, majority, or even a fourth of church people!)

Belief comes from obedience, and how can you obey who you can not hear? If all you can hear is a MAN/WOMAN talking to you in the name of god then you will not believe God for yourself. You have to hear HIM for yourself.

There is a difference between a MAN AND GOD!! I know they talk in these pulpits about obeying those that have rule over you, and they watch over your soul and you should honor the man that feeds you and you are sheep, and the man running the church is the shepherd and just follow along and be taught, fed and led. (The bible also says if

the blind lead the blind, all are ditch bound, and in this case the ditch is a deep one called hell.)

ARE YOU KIDDING ME? TEACH YOU WHAT? YOU ALREADY KNOW! YOU JUST DON'T REMEMBER, AND IT IS THE JOB OF THOSE SENT FROM GOD TO HELP YOU REMEMBER THAT YOU ALREADY KNOW WHAT THEY SAY YOU ARE BEING TAUGHT. IN REALITY, YOU ARE BEING UNTAUGHT WHAT YOU WERE ALREADY TAUGHT IN THE KINGDOM. NOW, YOU ARE WORSHIPPING A BUILDING AND MAN WHEN AT ONE TIME YOU WORSHIPPED GOD ONLY. (BEFORE TIME)

Many of you are saying, "but the scripture says how can we hear without a preacher." The word preacher has to be defined the way the bible meant for it to be, not how MAN has made it up to be.

A preacher is not a man who can talk about a scripture, or with a tune sing the scripture, or with emotionalism make you get excited about the scripture. A preacher is not someone who wears religious garb and looks deep like he is holy and wonderful. A preacher is not running a church on the backs of people then saying God blessed them. A preacher is not looking to get the glory out of his message. A preacher is not one who can hypnotize a bunch of people with the sound of his voice, or the articulation of his lips. Just like a prophet is not someone who deals with you as a psychic, or fortune teller. A prophet is not a pimp, or looking to prostitute his gift, or himself for money. Hear me!! Romans 10:15 gives us the key to the whole chapter is we are willing to look at it TODAY. Just look at it.

And how shall they preach except they be sent? (Who sent you to preach? God or god? The majority was sent by god and you can tell where a preacher came from by what the message is. Would the true and living God send some of the stuff coming across the podium? We are talking about God here! The little g god has to do with man making himself a god and reigning over the people but making them think it is all God.) Are souls being saved, and set free? Free from culture, free from religion, free from family influence, free from the world system. If we are not being freed, we are being recaptured by something far worse than what originally had us!

The scripture goes on to say, As it is written how beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things.

(Many of us was more depressed leaving church than leaving the club when we were in the world. Why? Because instead of hearing glad tidings from heaven, we hear fables, and stories from humanity/MAN/ world system in church!)

As it is written!! You can not use this scripture to legitimize preaching the way we have been. This is one of the most twisted scriptures used to control the masses. You have to have a preacher. You have to go to church, you have to be covered, and you have to be under some ones control. All lies, people!!

Are you ready for the revelation? You can not just read this scripture and get the proper interpretation. You again, must go back to the origin. Paul was writing on the foundation of another scripture and we must translate it from its original text which is found in Isaiah 52:7 How beautiful upon the mountains are the feet of HIM!! that bring glad tidings, that publish peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth!!

Romans 10:15 says How beautiful are the feet of them. The original text says Him! Why do you think that is?

It is because HE is the definition of preaching. You can not use the word preach without Jesus being involved. Preaching is Him reaching out to the HIS people in the world. Only HE can Preach. So, one text says HIM and another THEM.

HE multiplied HIMSELF and began to PREACH through THEM, so it is never suppose to be me, or you, or anyone else speaking from a pulpit. You can't go get a degree and think that qualifies you to speak, or say anything. We can not just take a scripture and start teaching on it. By what authority do you do this? Only HE can open the book! It is sealed until HE opens it in us then we are privy to the secrets of the book. But we are not authorized to ever open the book with HIM!!

Which brings me to this point; do you really think it is that easy to get HIM? You have had you, which is made up of all things around you all your life. When is the last time you broke away from everything and every body to be with HIM? If you don't go to church, they say you are not faithful. My question is who or what are you being faithful to? God is not limited to a building, or group of people, or culture, or climate. You will not box God in. You will get boxed in trying!!

We are dieing and there is a cry in my belly!! We are going in the wrong direction and my desire is that many would turn. Repent!!

These buildings called churches have apostasy written all over them. More churches lead souls away from God than to HIM.

Look at what we spend our time doing in church. It is entertaining people, rather than entertaining the presence of God. And we do it in HIS name at that.

The bible said in the last days knowledge would increase.

Daniel 12:4 But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased.

This is a scary scripture because in essence, it is saying we will know more, and KNOW LESS!! We will have more false knowledge than true. And it has happened!! Not happening, it has happened!

We know a lot of things, but we don't know the knower, and for those of us that think you're bible scholars, think again. The true knowledge was sealed. Anti burglar proof for you false preachers and teachers who want to manipulate the people with what you think you know. It is just a matter of time before they know you knew nothing at all. Because you cared nothing about the knowledge giver and only sought your own glory, confusion shall be your shame!!

This is why we have programs in what we call church, but few shut-ins! We don't want to spend all day in the presence of God, but we act like we are close to HIM.

We don't want to pray all night, but we will go out to eat and hang out talking about nothing all night. And this is after a church service we called great.

How do you have a great time at church and leave hungry? Well, you have to listen to the lango. WE HAD CHURCH! Didn't say we had GOD!!!!

We have knowledge of having church, but don't have time to get knowledge of having God. Getting God will not be a quickie!

This generation is used to screwing, banging, sexing, porno, distorted, sex/love. There is no knowledge of making pure love. The kind that doesn't need sex to fulfill it. Love filled words that bring orgasmic explosions, causing your spirit to speak in such melodies that the tongue can't keep up. This is not a screw. No, this is an observation of all good things in God. It takes time to make that kind of love. Days if we are talking about human beings. We are talking about God here!!! To be in love with HIM and for HIM to make love to us, or express love, we have to be in a place of submission to HIM and only HIM! We have to allow HIM to touch us where it hurts, and minister to us where we don't understand. We must be willing to lay it all down and just be naked in HIS presence and to stay in this place until HE has made HIS deposit in our lives!! We are weak, sick, and malnourished because we have been hearing everything else but HE whom our soul should love.

God back, and do the first works over again. Whatever you do, Get to God for yourself. Don't lean or depend on anyone else, stand on HIS word alone and allow all other words to be a confirmation, or a revelation that the speaker is lost!!! When you get that relationship with God right, everything else will be revealed. When you read the gospels, Jesus deals with the education system. He spoke with doctors and Lawyers and having never been taught by man, He KNEW all things and HIS knowledge astounded them. Jesus dealt with the family system. When HIS flesh and blood tried to pull rank in the spirit realm with HIM, HE redefined who and what family really is. Who are my mother, father, sister and or brother. Is it not them that do the will of my Father. Not the will of the church, pastor, or people in church. We are in God when we do HIS will. Jesus constantly confronted the world system and this is why they wanted HIM dead. This is why we are a threat to this current world system. Jesus was no world doctor, but he was a healer! Lol! Imagine that. He did not treat people, HE healed them. Problem solved, don't come back. Mental institutions were affected because lunatics were brought back, clothed and in their right mind. He did not have to work for money. Just pulled it out of the fish mouth! He did not preach prosperity. HE did not preach follow the leader, or mind controlling messages. All HE did was demonstrate the Kingdom of God and the world was turned upside down!!

This generation wants power so they can market it, get a website, become famous, move to Hollywood, make a movie, run with Oprah, take fancy trips and wear designer clothes and in the same breath say God gave them the power to do it. God knows you don't really want HIM, so what HE is doing now is moving the imposters and bringing down those that speak of HIM but deny HIM before the people. The shaking is here and Correction has come!! The cry of the people has come into the ear of the Father and HE is now come down to see what the cry is about. NOT GOOOD!!!!!!!!!!

Get out of everything you think you are into and HEAR GOD! Are you supposed to be where you are? Who is linked into you draining the life out of you. Who do you have in your life that you just won't let go of??????

Whatever it is, ask yourself a few questions.

Why do I do what I do? (what is your real motives?)

Did God tell me to do it, or did I listen to someone else who said they heard God for me?

Am I out of control? Could I be still if I had to, or needed to, or is my life under the control of some other force??

Why can't I just stop?

JESUS IS COMING SOON! WILL YOU WAKE UP NOW, OR WAIT TO WAKE UP WHEN TOO LATE. HELL IS REAL, HEAVEN IS NOT FOR EVERYONE, AND CHURCH IS DANGEROUS! (the majority of them are!! 85% and that is putting it nicely!)

WHATEVER YOU DO, GET TO GOD FOR YOURSELF, AND HE WILL REVEAL THE TRUTH TO YOU!!!
